## PROJECTS

### Book E-commerce | July/August 2023

Developed a fully functional e-commerce platform centered around books. Payment gateway, dynamic cart management, intuitive sorting, review functionalities, and personalized favorites.
Technologies used: Express, React, Node.js, Redux, JavaScript, SQL.

### La Gruta Foundation | June 2023

Crafted a comprehensive application for an NGO featuring robust authentication, dynamic searches, advanced filters, intuitive sorting, user management, automated email functionality, payment platform.
Technologies used: Express, React, Node.js, Redux, JavaScript, SQL.

### Pokemon App | April/May 2023

Designed and developed a Pokemon app using an external API and our own database. Implemented searches, combined filters, create forms, sorting, and CSS styles without libraries.

### Rick and Morty App | March/April 2023

Developed an innovative application showcasing proficiency in various technologies, demonstrating creativity and problem-solving skills.

## WORK EXPERIENCE

### HENRY: Teaching Assistant | April/May 2023

Coordinated a group of students to facilitate their integration into the study team, assisted in solving exercises, promoted group collaboration (Pair Programming), and proposed ideas to improve Bootcamp processes.

### Content Creator | 2018 - 2022

Managed social media platforms, creating engaging content to increase brand recognition and encourage user engagement. Demonstrated strong communication and creativity skills.

### Work and travel | 2019/2020 - 2021/2022

Summer work experience in the United States for two seasons. Developed communication skills in a multilingual and multicultural environment.

## EDUCATION AND TRAINING

### Full Stack Web Developer. Henry Bootcamp

700 hours of theory and practice || Feb - August 2023

### Bachelor's Degree in Economics. Tech University.

In progress. 2nd year || 2022-Present

## VOLUNTEER EXPERIENCE

### Manywa Initiative for Children | April/May 2022

Volunteering at a rural school in Uganda, Africa. Fundraising for construction projects.

### Apostoles de Lourdes | 2019-2021

General Coordinator of a group with over 600 participants. Leadership, project management, and creativity.
